outperform the norm

INTRO K

CATEGORY Crop Nutrition Range
REG. NO.: K10914

PRODUCT DESCRIPTION

Intro K is a complexed Potassium containing liquid fertilizer, specifically designed for use as a foliar feed or fertigation application to prevent and correct Potassium deficiencies.

GUARANTEED ANALYSIS (g/L_g/kg)

Potassium (K)	290 g/L	201 g/kg
Nitrogen (N)	10 g/L	7 g/kg
Amino Acids	50 g/L	35 g/kg

FORMULATION TYPE

(SL) - Soluble Liquid

FEATURES & BENEFITS

- Liquid formulation
- Bio-available Potassium
- Accelerated absorption by plant tissue
- Effective translocation and metabolism

PHYSICAL CHARACTERISTICS

- pH 7.2
- Density (at 20°C) 1.44
- Physical state Liquid

PACKAGING 1L | 5L | 10L | 20L | 200L | 1000L

APPLICATION TIMING

- **Intro K** is recommended during periods when plant demand for Potassium (K) is high, for example during the fruit development and maturation stage.
- **Intro K** should preferably be applied in the early morning or late afternoon.
- Do not apply to plants that are undergoing a period of moisture or heat stress, or during cold wet conditions.
- Do not apply on wet fruit.
- For optimum results, **Intro K** should be used in a balanced crop nutrition program.
- Do not apply in combination with or directly after application of copper containing fungicides.

APPLICATION METHODS

Intro K is designed for use as a foliar feed or soil nutrient and can be applied by: Boom sprayer | Knapsack | Irrigation system.

APPLICATION RATES

CROP	RATE / HA	REMARKS
Fruit trees, wine and table grapes	5 - 15 L	Start application from early fruit development stage
Grain and row crops	3 - 5 L	Apply as required by plants
Vegetables	3 - 5 L	Start application from early fruit development stage
Fertigation	10 - 15 L	Repeat application as required

Refer to product label for complete application rates per crop

COMPATIBILITY

Intro K is compatible with most Agrochemicals, it is however advisable to do a miscibility test prior to tank mixing.

HANDELING & PRECAUTIONS

- Store in the original, well-sealed container away from direct sunlight in a cool dry environment.
- Keep away from children, uninformed people, animals and foodstuffs.
- Do not re-use the container.
